Commissioner for Patents

Note the attached communication from the examiner regarding the Information Disclosure Statement filed on August 9, 2006.

Information Disclosure Statement

The information disclosure statement (IDS) submitted on August 9, 2006 has been considered by the examiner.

It is noted that the document EP 1090798 A1 is categorized as an "X" document relative to claims 1, 3 and 4 in the Supplementary European Search Report. The '798 EP document was previously cited by the examiner and applied under 35 U.S.C. § 102(b) against applicant's original claims 1, 3 and 4 in the Office action mailed on March 24, 2006. Claim 1 was amended in the response filed on June 26, 2006 in order to distinguish over this document.

None of the newly cited documents is seen to affect the patentability of claims 1-7 which remain allowable for the same reasons given in the Notice of Allowability mailed on July 17, 2006.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Richard M. Lorence whose telephone number is (571) 272-7094. The examiner can normally be reached on Mondays through Fridays from 10:30AM to 7:00PM.
